

Counterfeit warning

AIVIL

Dear Customers

We have recently learned that our products are being sold by unauthorized distributors and resellers in marketplace.

We consider these products infringement on our intellectual property rights and a violation of our registered trademarks.

Products

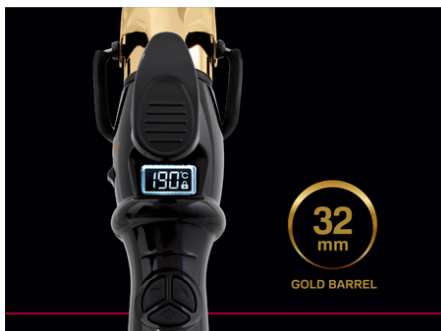

AIVIL D2 GOLD BARREL 25mm / 32mm / 38mm

AIVIL D2 TITANIUM BARREL 25mm / 32mm / 38mm

While these products may have AIVIL logo and our company name, and can appear extremely similar to our products, the material and quality would fail to meet Japanese regulation and our standards.

how to avoid counterfeits

1. Counterfeit: Poor printing quality

Genuine

Counterfeit

2. Genuine/Counterfeit

Genuine

Counterfeit

While we pursue all available legal actions against manufacturers and sellers of these items, we hope you find above information to help you not to purchase counterfeit products.

Please note that we cannot reimburse you for your purchase of counterfeit products, and cannot offer you either a repair or exchange to genuine product service.

Thank you for reading this and for your support of our efforts to protect our customers from negative effect.
