Regular & Long Sizes — Design Your Style Freely

Our unique 3-layer structure efficiently conducts heat, helping you save time while reducing hair damage.

REGULAR

Perfect for creating targeted curls and volume. Its easy-to-handle design makes it ideal for styling around the face.

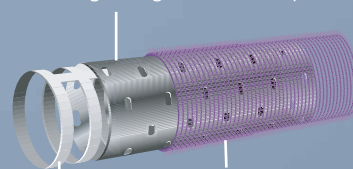

LONG

Long type that allows you to wrap a lot of hair at once. Creates smooth, shiny, and beautiful curls in less time.

Aluminum

Retains the dryer's heat to create quick, long-lasting curls with heat power.

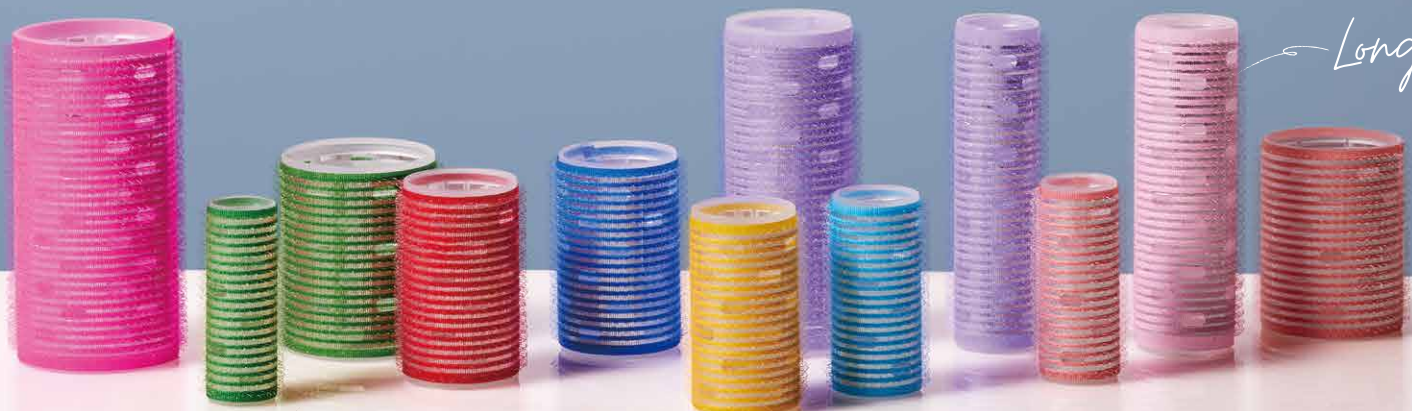

Velcro tape

Securely holds with Velcro and removes easily for smooth effortless curls.

Plastic

Durable plastic design for long-lasting performance.
