

TREATING DAMAGED HAIR AND
REFRESHING THE SCALP

BAMBOO Series

Brush that grows with you

A Touch of Shine, Styling Comb

NATURAL OIL

Bamboo's natural oils gently blend with your hair and scalp, bringing out a soft, lustrous glow.

HAIR OIL

Over time, the brush absorbs your hair oil, gently delivering shine with every touch.

Key Features

- 01 Long pins reach the scalp, allowing thorough brushing from the roots. Easily create soft, natural styles, just like using your fingers.
- 02 Two alternating rows of pins gently detangle hair, making brushing smooth and comfortable.
- 03 Pins are arranged to fit the scalp comfortably, providing a gentle, fingertip-like massage.
