

BREMEN

This model features a distinctive design inspired by a casino roulette wheel.

KEY FEATURES

Diamond-Like Carbon (DLC) Coated Blade

Reduces friction to the limit. Combining the DLC stationary blade with a ceramic moving blade minimizes heat buildup, allowing for extended continuous use.

C-Move Design

Specifically angled for optimal "C-move" techniques to ensure smooth operation.

Stepless Adjustment

Allows for delicate fading with adjustable cutting heights from 0.8mm to 1.6mm.

OTHER

High-Performance DC Motor: Maintains a constant RPM regardless of remaining battery levels.
Continuous Runtime 240 minutes

Bonus

Includes a limited-edition "US Dollar bill style" clipper mat [size]450x200mm

NEW

BREMEN Roulette Clipper
