

# Two clips A new rhythm for your cut.

Designed for fingertip-like control and ease of use.  
A new standard in barber clips.

The Bremen Salon Clip is ideal for barbers, offering a firm, reliable grip that securely holds even thick, coarse hair.

#### **POINT**

The gentle curve follows the shape of the head, ensuring a secure, non-slip hold.

#### **POINT**

Soft rubber with a secure grip, holding hair firmly in place from root to tip.

Thin aluminum parts for precise, easy sectioning.

**BREMEN SALON CLIP**
