Meets Modern Ergonomics.

The EDO SCISSOR

Etched in Tradition

Delicately laser-engraved with the "Great Wave" on the blade—a subtle testament to Japanese craftsmanship in every cut.

1. The Edge of Perfection

Forged from premium 440C stainless steel, these shears deliver a razor-sharp, nick-resistant edge. Built for the salon, they resist rust and water for lasting, effortless performance.

2. An Extension of Your Hand

Protect your hands with our 3D ergonomic offset handle, expertly designed to eliminate wrist fatigue. Available in 5.5" and 6.0" to provide flawless, strain-free control all day long.

3. Unboxing a Legacy

Your shears arrive in a traditional paulownia wood box—historically used to protect katana swords—elegantly wrapped in a "Great Wave" design sleeve. A truly unforgettable unboxing experience.gift.

4. The Art of the Ritual

Elevate your daily maintenance. Each pair includes a premium chamois cloth adorned with Hokusai's iconic "Great Wave," beautifully fusing practical care with Japanese artistry.
