

Grips like your fingertips for a secure hold. Easily gathers even thick or coarse hair.

01 Designed to Follow the Shape of the Head

The gentle curve helps keep it securely in place.

02 Silicone Rubber

Silicone rubber extends to the tip for a secure hold.

03 Long 139mm Body

The wide body easily grips larger sections of hair and stays secure, even with heavier hair.

18mm
longer than
the regular version!

Top: Pro Clip Large/Bottom: Pro Clip

More Features

Thin yet strong aluminum parts for easy sectioning.
Easy to hold, with a special non-slip finish on the aluminum.
