Wiping Your Razor Blade

Use to wipe away shaving foam and hair from the razor blade. Wet with water and wring out lightly with one hand before use.

Excellent Absorbency

Absorbs plenty of water, making it easy to wipe away shaving foam

Sustainable Wipes Made with Materials from Germany

100% natural materials
Durable and easy to clean
Tear-resistant with cotton content
Machine washable and suitable for boiling disinfection

Lightweight and Easy to Store

The dry material dries quickly and is easy to store for long periods.

Note: The material may shrink slightly after washing and drying, but this does not affect its use.
